Thanks, Clare.

Hi Howell,

Would it be possible to pack up materials for the City's booth prior to the close of the market?

Thank you,

Tal

Hi Howell,

I'm adding my colleague Tal Harari to this email thread. I will be unable to attend the Farmers Market but she will be and will be coordinating with you.

Best,

Hi Howell,

Does the canopy need to fit any specific dimensions?

Thanks,

I forgot to mention that you will need weights for your canopy in order to participate – a minimum of 24 lbs per leg.

We would like to attend on June 12th.

Thanks very much.

Hi Howell,

The Department of City Planning is updating the Downtown Community Plan and we are holding a number of outreach events in Downtown over the next few months to inform Downtown Community members about the plan and receive their input. We'd like to have a table at the Historic Core Farmers Market sometime in late May or June, ideally mid-June. We have a project website, www.dtl2040.org, as well as a Facebook page. The event would be promoted through our website and Facebook page.

Thanks!

Hi Claire,

Please meet Howell who manages our Farmers Market. He can help set you up for our non-profit booth space on a Sunday that works in late may / early June.

Howell, please meet Clare from City Planning. We'd like to help her arrange to do outreach at the Market regarding the City' new community plan efforts.

Noah
